## Biography

**Dr. Quazi Sazzad Hossain**
Professor
**Research Area**Pavement evaluation and maimtenance Application of ANNs and GIS in urban transportation Planning Behavioral travel modeling Road safety and traffic congestion Traffic Analysis and design

## Education

**Doctor of Philosophy**
  Uniersiti Sains Malaysia (USM),Malaysia, 2007()
    **Thesis Title: Estimation of Turning Adjustment Factors at Signalised Intersections According to Malaysian Traffic Conditions**
**Master of Engineering**
  Saga University,Japan, 2001()
    **Thesis Title: Planning of Bicycle Parking Lots Considering Tolerable Distance**
**Bachelor of Science in Civil Engineering**
  Khulna University of Engineering & Technology (KUET),Bangladesh, 1990 (Exam of 1989)()
**Higher Secondary Certificate**
  Narail Government Victoria College,Bangladesh, Jessore Board, 1985()
**Secondary School Certificate**
  Lahuria Hafez Abdul Karim Academy, Lohagara, Narail,Bangladesh, Jessore Board, 1983()

## Service Records

- **Assistant Engineer**
  **Department/Section:** Materials Testing Laboratory
  **Bangladesh Consultants Limited (BCL)** *From to*
- **Lecturer**
  **Department/Section:** Civil Engineering
  **Khulna University of Engineering & Technology** *From to*
- **Assistant Professor**
  **Department/Section:** Civil Engineering
  **Khulna University of Engineering & Technology** *From to*
- **Associate Professor**
  **Department/Section:** Civil Engineering
  **Khulna University of Engineering & Technology** *From to*
- **Professor**
  **Department/Section:** Civil Engineering
  **Khulna University of Engineering & Technology** *From to*

## Research Interest

**Pavement evaluation and maimtenance**

**Application of ANNs and GIS in urban transportation Planning**

**Behavioral travel modeling**

**Road safety and traffic congestion**

**Traffic Analysis and design**
