Biography

I am Mirza Mohd Shahriar Maswood. Welcome to my personal website.

Dr. Mirza Mohd Shahriar Maswood
Associate Professor
Research Area Datacenter Networking, Cloud Computing, Artificial Intelligence, Wireless Communication

Education

Doctor of Philosophy
   University of Missouri-Kansas City (UMKC),USA(2018)
   Thesis Title: Cost Optimization and Load Balancing of Intra and Inter Data Center Networks to Facilitate Cloud Services
M.Sc in Electrical Engineering
   University of Missouri-Kansas City (UMKC),USA(13/08/2013-2015)
B.Sc in Electronics & Communication Engineering
   Khulna University of Engineering & Technology (KUET),Bangladesh(06/03/2006-2010)
Higher Secondary School Certificate (HSC)
   Sundarban Govt. Adarsha College,Bangladesh()Group: Science,
Secondary School Certificate (SSC)
   Khulna Zilla School,Bangladesh(2001-2003)

Service Records

- **Associate Professor**
  Department/Section: Electronics and Communication Engineering
  Khulna University of Engineering & Technology *From to*
  Responsibility:Teaching, Research
- **Teaching Assistant**
  Department/Section: Electrical and Computer Engineering
  University of Missouri-Kansas City *From to*
  Responsibility:Teaching ECE 216: Engineering Computation (Basic python, matlab, c) - 4 units
- **Research Assistant**
  Department/Section: Telecommunications and Computer Networking
  University of Missouri-Kansas City *From to*
  Responsibility:Doing research in Computer Networking
- **Assistant Professor**
  Department/Section: Electronics and Communication Engineering
  Khulna University of Engineering & Technology *From to*
  Responsibility:Teaching, Research
- **Lecturer**
  Department/Section: Electronics and Communication Engineering
  Khulna University of Engineering & Technology *From to*
  Responsibility:Teaching, Research, former Assistant Provost (Amar Ekushey Hall), former treasurer (ECE Dept)

Research Interest

Datacenter Networking, Cloud Computing, Artificial Intelligence, Wireless Communication
