Md. Golam Kibria
Associate Professor
Research Area

Biography

This is, Md. Golam Kibria, serving as an associate professor in the department of Industrial Engineering and Management (IEM) at Khulna University of Engineering & Technology. I completed my B.Sc. in IPE from Rajshahi University of Engineering & Technology and my M.Sc. in IEM from Khulna University of Engineering & Technology (KUET). At present, I have contributed research papers to international journals and conferences. My areas of research are statistical quality control, manufacturing, and inventory management. I am often invited to deliver lectures on specialized topics at a number of leading institutions in Bangladesh. I am also a member of the Institution of Engineers (Bangladesh) and IEOM.

Education
