

Biography

KUET

Md. Asaf-uddowla Golap
Assistant Professor
Research AreaArtificial Intelligence, Deep
Learning, Machine Learning, Genetic
Programming, Biomedical Signal Processing,
Image Processing, Bio-inspired Computing
Techniques and Fault Tolerance

Education

Master of Science in Computer Science & Engineering

Khulna University of Engineering & Technology, Bangladesh (2017-2019)

Bachelor of Science in Computer Science & Engineering

Khulna University of Engineering & Technology, Bangladesh (2013-2017)

Higher Secondary School Certificate (H.S.C.)

Rajshahi Govt. City College, Bangladesh (2010-2012)

Secondary School Certificate (S.S.C.)

Kalma High School, Bangladesh (2005-2010)

Service Records

• Lecturer

Department/Section: Department of Computer Science and Engineering **North Western University** *From* 2017-08-05 00:00:00to2017-12-31 06:00:00

• Assistant Programmer

Department/Section: Office of the Controller of Examinations

Khulna University of Engineering & Technology From 2018-01-01 00:00:00 to 2020-12-16 06:00:00 to 2020-12-16 06:00:00:00 to 2020-12-16 06:00:00 to 2020-12-16 06:00:00:00 to 2020-12-16 06:00:00 to 2020-12-16 06:00:00:

Lecturer

Department/Section: Institute of Information and Communication Technology

Khulna University of Engineering & Technology From 2020-12-17 00:00:00to2022-05-07 06:00:00

Assistant Professor

Department/Section: Institute of Information and Communication Technology

Khulna University of Engineering & Technology *From* 2022-05-08 06:00:00to1970-01-01 06:00:00

Research Interest

Artificial Intelligence, Deep Learning, Machine Learning, Genetic Programming, Biomedical Signal Processing, Image Processing, Bio-inspired Computing Techniques and Fault Tolerance
